Made from recycled milk jugs, 100% plastic, with real wood look.

- High density Poly will not splinter, rot or peel and does not promote bacterial growth.
- Never needs paint or stain.
- Assembled using stainless steel screws and bolts. Aluminum angle bracing for support.
- Custom aluminum frames on tables.
- No storage required-leave outside year round.
- Easy to clean with soap and water.
- Nationwide ups shipping available on most products.
- So sit back, relax, and enjoy.

"Built For Life"

10-year limited warranty on any manufacturing defects or premature failure of product due to a defect.

Excludes normal wear and tear. Poly is a synthetic product and may scratch or fade slightly when exposed to sunlight or stain after prolonged contact with other substances. Some expansion and contracting is also to be expected. These shall not be considered defects and are not covered by this warranty.
